

Monkey Business or The People's Business?

Republicans have made their choice,
now you can make yours.

Can you believe it? The Fort Bend County Chamber of Commerce is hosting a "Tribute to Tom DeLay" on Friday, July 7th, at the Marriott Hotel in Sugar Land. They are celebrating the politics of corruption, paybacks and dirty dealings, and lamenting that it's going away. The Fort Bend Republican Party chairman wants the local GOP to buy a \$550 table to "show their support for the work that Congressman DeLay has done for Fort Bend County and the Party over these past years."

Had enough?

While the District 22 Republicans toast Tom DeLay's Monkey Business, join us to celebrate a new government that cares about The People's Business.

Join us at Beck's Prime, just across the freeway from the DeLay Tribute. For \$10, you can get a hamburger, fries, and tea (beer extra) and send a message that we've had enough of Tom DeLay's kind of government.
